2025 Milestones & Moments

Celebrating Growth, Impact & Purpose

Dear Friends and Partners,

As we journey through 2025, we are excited to share the incredible strides Cedar et Gazelle Foundation has taken so far. From celebrating our 6th anniversary to launching transformational events and initiatives, this year has been one of growth, healing, and renewed purpose.

**HERE'S A LOOK AT WHAT WE'VE
ACCOMPLISHED TOGETHER**

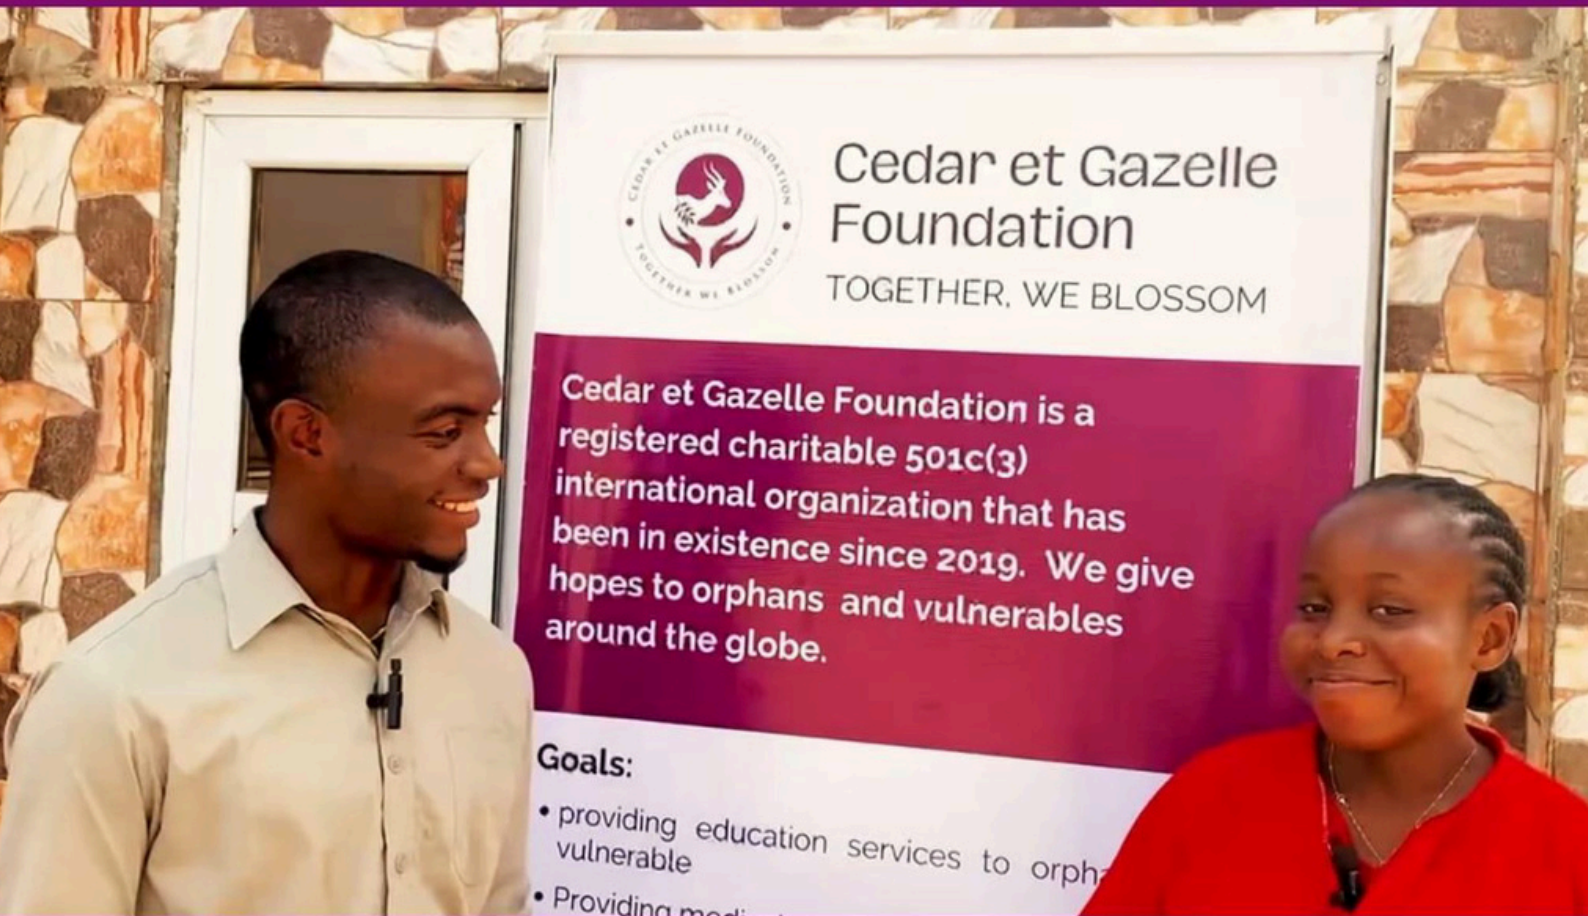

6 Years of Impact - January 2025

On January 23, we marked our 6th anniversary! Reflecting on the remarkable success of past conferences, we officially announced that our youth conference will now be held annually in Nigeria, focusing on young adults and their holistic development. The feedback and testimonies made it clear.

UGANDA PROJECT UPDATE - JUNE 2025

Our ongoing work in Uganda continues to change lives. In June, we released a video capturing the stories of the children whose lives have been transformed through our education and outreach initiatives. Their joy, hope, and growth are made possible because of your generous support. We invite you to watch and witness this beautiful journey of impact.

THE NEW BEGINNING CONFERENCE

New Beginning Conference – January 2025

We hosted our very first Youth and Teenagers Conference themed "New Beginning."

This one-day, transformational gathering empowered young people to:

- Embrace their identity in Christ
- Discover and monetize their talents
- Prioritize physical and mental health
- Build sustainable, purpose-driven futures

With engaging sessions led by thought leaders, mentors, and healthcare professionals, this event planted powerful seeds of purpose in the next generation.

A HEARTFELT

Thank you

The Healing Challenge – February

We kicked off the year with our Healing Challenge—a reflective campaign inviting individuals to explore the meaning of healing in all its dimensions:

**Physical • Mental • Emotional • Financial •
Relational • Spiritual**

From daily affirmations to personal stories shared by volunteers, the challenge has sparked deep conversations and connections. It's all part of preparing hearts for our upcoming Healing Conference, a safe space for transformation and growth.

* Healing is a journey. It begins with one intentional step...
